NOTICE TO MARINERS.

NO 12 OF 2020

Sediment Sampling Church Street CSO, River Usk

Mariners are advised that the following work is being carried out on the river bank adjacent to Church Street CSO, River Usk, Newport.

Kaymac Marine and Civil Engineering Ltd have been contracted by Morgan Sindall to obtain soil samples from the river bed adjacent to the Church Street CSO on the River Usk, Newport, NP20 2BY on Sunday February 9th 2020 for the duration of 1 day.

The sampling is located away from the main channel and will take place from a modular temporary platform on the river bed. There will be no water borne craft used for this work.

Mariners using the river on this date are advised to keep their speed low so not to create any wash.

Please see below for a map of the exact location of the planned work.

Issued for and on behalf of Newport Harbour Commissioners.
