

NOTICE TO MARINERS

NO 3 OF 2019

Approaches to Cardiff – Admiralty Chart 1182

**TEMPORARY REMOVAL OF OUTER PORT HAND MARK – CARDIFF BAY
BARRAGE OUTER HARBOUR**

Further to NTM 2 of 2019 – Dredging Works in Cardiff Bay Barrage Outer Harbour and Approach Channel, mariners are advised that the Outer Port Hand Mark in the approach channel has also been removed for maintenance.

The preferred channel marker buoy (RGR) remains off station from its normal position and does not mark the edge of the barrage approach channel.

All other static aids to navigation marking the approach channel will remain operational.

Vessels wishing to enter or leave Cardiff Bay should contact Barrage Control on VHF Channel 18 and await instructions before entering the Outer Harbour.

Vessels should also navigate with caution in the approach channel for the duration of the dredging works and whilst the buoyage is off station.

Mariners are reminded that CCTV is in operation at the Barrage for operational and health and safety reasons. All CCTV images and VHF transmissions are recorded
