NOTICE TO MARINERS

NO 11 OF 2011

**MOVEMENT OF CARGO FROM NEWPORT DOCK TO USKMOUTH
JETTY**

On the 28th December 2011 a piece of Equipment will be moved from Newport Docks to Uskmouth Jetty by the Barge 'Terra Marique'. The vessel will sail from Newport approximately 3 hours before High Water (HW 0922) and then berth Stern onto the berth protruding into the River by approximately 80 metres. On completion of Discharge the Barge will then return to Newport Docks - on the same tide. The vessel will have a tug in attendance at all times. This operation will not impact on other traffic transiting the river. Newport radio VHF71 will advise all traffic when reporting inbound or reporting when preparing to sail.
