

NOTICE TO PORT USERS AND TENANTS

Power Outage Cardiff Docks Wednesday **May 12th 2021 0800 - 1600**

Port Users and Tenants are advised that due to a fault on the high voltage network which requires ABP to investigate and repair, the only option is to switch off part of the high voltage network.

This will affect the following tenants and areas:

Pet Smart (Old Bob Martin)
Alliance Labels
Kal Tyre
Cardiff Licensed Boatmens Lodge
QA Lock and Road Bridge
Phone Mast and Transmitter – QA Lock and
Longships Road

The power outage will be kept to the shortest possible time, but potentially the outage will be between 0800 – 1600 to allow for the work to be completed.

Apologies for any inconvenience caused during this period.

Any further questions please contact Steve Roderick, Engineering Supervisor – 07715 612569.
